Shareholders who hold registered shares will receive a letter from the Target (including a copy of the relevant page of the share register) indicating the procedure to be followed by shareholders to tender their registered shares in the Bid.

Shareholders holding both registered shares and dematerialised shares must complete two separate acceptance forms: (i) a form for the registered shares to be submitted to Exmar and (ii) a form for the dematerialised shares to be submitted to the financial intermediary where such dematerialised shares are held.
